PSY 702: Developmental Bases of Behavior

This PSY 702 knowledge area assessment is to be completed in conjunction with seminar PSY-K702-M27 on Saturday, 7/16, at Fielding Summer Session 2005 in Alexandria. Prior to summer session, Joe will read and digest the three texts below and will prepare an integrative and provocative reaction paper for presentation and discussion at the summer session seminar on 7/16. Immediately following summer session, Joe will prepare and submit a paper considering the implications of developmental attachment factors on mandatory intervention for adult domestic violence offenders. (see below, Action dates)

If the Assessment reaches me by the agreed upon date, I will forward the grade and evaluation comments to the student and the Santa Barbara Office eventually.

Action Dates:

Action Steps of Contract:

The contract needs to be finalized within two months of initial agreement on my part to do it. I will have 2 weeks to respond to revisions of the contract. If the contract is not filed within 2 months I will not do it. DONE April 25, 2005

Unless specified with an earlier date, from the date of filing the contract the agreed upon first piece of work needs to be received within 3 months, and the all the work received within 5 months of the contract filing. I will have 3 months to respond to each submission. Unless agreed upon in advance my response does not change the 3 or 5 month dates.

A grade will be given at the end of the course (including "C"). There will be no incompletes except in the cases that fully conform to Fielding. One revision of the work is permitted to raise a grade. The revised material must be received within 3 months of the final grade filing. If it is not received the grade as given will become final. I will have 3 months to put in a revised grade.
